**Research Opportunities**

**Notes:** To perform a text search on this document, press Ctrl + F or go to the Edit menu at the top of the page and select “Find (on this page)”. Some entries have expired. They remain on this page as possible contacts. Entries in Cincinnati have been grouped at the bottom of the document.

**Clinical Research Opportunities**

**Summer Externship Positions at Baton Rouge General Medical Center – Family Medicine Residency Program (Six weeks externship between June 2 – August 8, 2003)**

**Purpose:** Two positions in the Family Medicine Residency setting to gain appreciation of the broad clinical research opportunities in primary care by undertaking a research project in Health Promotion/Disease Prevention and to experience the spectrum of care and learning in family medicine.

**Eligibility:** Completion of first or second year medical school

**Support:** Weekly stipend of $300, housing and some meals

**Deadline:** Friday, April 18, 2003

**More Information:** Contact Robert Chasuk, M.D. by phone (225) 387-7899 or email rob.chasuk@generalhealth.org

**Research-Based Health Advocacy Course, Montefiore Medical Center, Albert Einstein College of Medicine, Bronx, NY - October 2003**

**Purpose:** The faculty along with experts from the New York Metropolitan area will provide a course which combines both didactic and project based approaches to the teaching of research-based health activism.

**More Information:** Contact steve.cha@yahoo.com or visit website www.medicine-residency.org

**Medical Student Summer Research Project**

**Purpose:** A study of Autosomal Polycystic Kidney Disease (ADPKD), especially the mutagenic effect of certain metal ions on the PKD1 gene and uranium. The research project would contain a laboratory component and a clinical component.

**More Information:** Contact Dr. John Bissler at CHMCC via email - john.bissler@chmcc.org or Susan M. Pinney, Ph.D. with the Fernald Medical Monitoring Program at 558-0684 or email susan.pinney@uc.edu

**Clinical Externship in the Department of Neurosurgery at New York University School of Medicine**

**Purpose:** To provide students the opportunity to determine whether they want a career in neurosurgery by functioning as part of the resident and faculty team on the neurosurgery floor at University Hospital (Tisch Hospital). You will participate in rounds, attend conferences and go into the operating room.

**Eligibility:** Medical students between their second and third years

**More Information:** Contact administration Ms. Nicki Filipponi at (212) 263-6415.

**Jewish Medical Ethics Summer Program – New York City**

**Purpose:** A two week program (7/8 – 7/24) featuring a course on Jewish medical ethics combined with seminars on Jewish thought. Including distinguished medical ethicist, physician, professor and Judaic scholars from the USA and Israel.

**Eligibility:** Completion of first year of medical school

**Cost:** Includes tuition lodging and two meals daily: $2,000

**Support:** The Maimonides Scholars Fellowship offers scholarships up to $1,200/individual-based upon merit and financial need for a program cost of $800

**More Information:** Contact Graduate School Division, New England Institute of Jewish Studies (781-433-7121), email: info@neijs.org, or visit website: www.neijs.org

**52nd Annual Session of The University of Utah School on Alcoholism and Other Drug Dependencies, Physicians Section – June 15 – 20, 2003**

**Purpose:** Expert faculty will provide the latest information and research on drug abuse, addiction and treatment

**Eligibility:** All medical students

**Support:** $390 tuition, $125 housing allowance and up to $350 travel allowance

**Deadline:** Awarded on a first-come, first-serve basis

**More Information:** Email: slangston@utah.gov or visit website: uuhsc.utah.edu/ads

**Scaife Family Foundation Medical Scholars Track at the 19th Annual National Rural Institute on Alcohol and Drug Abuse at the University of Wisconsin-Stout in Menomonie, WI – June 1 – 5, 2003**

**Purpose:** This rural alcohol and drug abuse conference provides participants the opportunity to personally interact with other rural alcohol and drug abuse professionals, federal agency representatives, and nationally known Institute faculty and resource persons.

**Eligibility:** First and second year medical school students

**Support:** The scholarship covers registration, resource materials, on-campus residence and on-campus meals in addition to $300 cash stipend after the conference to help defray travel expenses

**Deadline:** April 1, 2003

**More Information:** Program information contact Louise Monson, M.S., C.P.C., C.A.D.C. at (715) 532-9030 or email NRADAN_inc@centurytel.net or for conference logistics contact Deanna Applehans at (715) 232-2460 or email: conference-solutions@uwstout.edu

**Western Pennsylvania Health Preceptor Summer Program**

**Purpose:** Six week summer preceptor ship in a community hospital setting
Eligibility: Post first year medical students
Support: $1,800 stipend plus room, parking and meals at certain participating hospitals
Deadline: March 3, 2003
More Information: Visit website at www.pitt.edu/~wphpp

2003 NATIONAL HEALTH SERVICE CORPS (NHSC) SCHOLARSHIP
Purpose: To attract primary health care students who are committed to improving the health of the Nation’s underserved
Support: Provides payment of tuition, fees, a monthly stipend and other reasonable expenses for up to four years of education in exchange for a commitment to serve in America’s neediest communities
Deadline: March 28, 2003
More Information: To receive a scholarship application call 1-800-221-9393. For additional information consult the website at http://nhsc.bhprrhsa.gov

Subinternship in Family Medicine at Montefiore Medical Center the Teaching Hospital of Albert Einstein College of Medicine, Bronx, NY
Purpose: Now accepting applications for the 2003-2004 academic year students to sharpen their clinical skills in family medicine for residency as well as experience the primary care model of inpatient medicine.
Eligibility: 4th year medical students
More Information: Contact Dr. Sanders by emailing bsanders@montefiore.org or phone (718) 920-4678.

Summer Externship Program Sponsored by the Department of Physical Medicine and Rehabilitation of Northwestern University Medical Center – June 9 – August 1, 2003
Purpose: Eight week program to provide clinical exposure related to the care of persons with acute and chronic disabilities for comprehensive rehabilitation. Students will assist in the clinical management of patients admitted to the Rehabilitation Institute of Chicago located at the McGaw Medical Center.
Eligibility: First year medical students
Support: $3,000 stipend
Deadline: April 16, 2003
More Information: Contact the medical education office at (312) 238-2870

American Medical Women’s Association Overseas Assistance Grant
Purpose: Will provide assistance with transportation costs connected with pursuing medical studies in an off-campus setting benefiting the medically underserved.
Eligibility: National AMWA student member and completion of 2nd, 3rd or 4th year of medical school
Support: Up to $1,500 travel expenses
More Information: Contact Marie Glanz for additional information or application at mglanz@amwa-doc.org or phone (703) 838-0500.

Himalayan Health Exchange – 2003 International Health Expeditions
Eligibility: Physicians, nurses and medical students:
More Information: Email info@himalayanhealth.com or contact Ravi Singh (404) 929-9399 or Dr. William Norton (912) 685-5597, email nbnorton@pineland.net

NATIONAL INSTITUTES OF HEALTH CLINICAL RESEARCH TRAINING PROGRAM (CRTP) FROM PFIZER, INC.
Purpose: Spend a year engaged in a mentored clinical research project in an area that matches your personal interests and goals.
Eligibility: Third year medical school students or M.D./Ph.D.
Support: $25,300 stipend
More Information: Office of Education at the NIH phone (800) 445-8283 or visit website www.training.nih.gov/crtp

MAP/READER’S DIGEST INTERNATIONAL FELLOWSHIP (RDIF)
Purpose: To provide travel assistance fellowships for externships for students in mission hospitals in developing countries.
Eligibility: Third and fourth year medical students
More Information: Visit website www.map.org or email lcrsoby@map.org

Mayo Clinic Minority Medical Student Career Development Program – Summer Clinical Preceptorship
Purpose: Three week program provides hand-on experience to develop and refine your clinical skills
Eligibility: Between your first and second year of medical school
Support: Travel expense reimbursement, housing assistance and stipend
Deadline: February 14
More Information: Contact Minority Medical Student Recruitment Coordinator at Mayo Clinic at (507) 284-2604 or email nmcgee@mayo.edu or visit website www.mayo.edu

Mayo Clinic Minority Medical Student Career Development Program – Summer Research Fellowship
Purpose: Eight week program to expand laboratory and clinical research skills in basic and patient-oriented research
Eligibility: Between your first and second year of medical school
Support: Travel expense reimbursement, housing assistance and stipend
Deadline: February 14
More Information: Contact Minority Medical Student Recruitment Coordinator at Mayo Clinic at (507) 284-2604 or email mcgee@mayo.edu or visit website www.mayo.edu

Mayo Clinic Minority Medical Student Career Development Program – Career Development Conference
Purpose: One week conference explores specific medical specialty career paths through workshops and individually tailored clinical experiences
Eligibility: Between your second and third year of medical school
Support: Travel expense reimbursement, housing assistance and stipend
Deadline: May 1
More Information: Contact Minority Medical Student Recruitment Coordinator at Mayo Clinic at (507) 284-2604 or email mcgee@mayo.edu or visit website www.mayo.edu

Mayo Clinic Minority Medical Student Career Development Program – Visiting Medical Student Clerkship
Purpose: Four week program continues your career development through a hands-on senior year clinical elective to explore residency training at Mayo
Eligibility: During your fourth year of medical school
Support: Scholarships that recognize achievement are available for under-represented minorities
Deadline: Varies
More Information: Contact Minority Medical Student Recruitment Coordinator at Mayo Clinic at (507) 284-2604 or email mcgee@mayo.edu or visit website www.mayo.edu

DORIS DUKE CHARITABLE FOUNDATION CLINICAL RESEARCH FELLOWSHIP PROGRAM FOR MEDICAL STUDENTS
Purpose: Provides one-year funded fellowships for medical students to receive both hands on mentored and didactic clinical research training at one of the following medical schools: The College of Physicians and Surgeons at Columbia University, Harvard Medical School, Mount Sinai School of Medicine, University of California at San Francisco School of Medicine, University of Iowa Carver College of Medicine, University of North Carolina Medical School at Chapel Hill, University of Texas Southwestern Medical Center at Dallas, University of Pennsylvania School of Medicine, Washington University School of Medicine in St. Louis or Yale University School of Medicine. Fellowships begin July, 2003.
Eligibility: Medical students who have completed two or more years of medical school prior to the start of the fellowship and who have some clinical experience.
Support: $20,000 plus health insurance
Deadline: January 22, 2003

2003 AMERICAN PSYCHIATRIC ASSOCIATION (APA) MINORITY MEDICAL STUDENT SUMMER FELLOWSHIP PROGRAM
Purpose: Facilitates a one-month practicum for medical students during which they “shadow” a psychiatrist mentor for an up-close look at psychiatry as practiced in a variety of work settings. Fellows select the location of their experience, and the fellowship will match them with a local mentor with compatible interests.
Eligibility: Ethnic minority medical students
Support: Living and out-of-pocket expenses directly related to the fellowship are provided
Deadline: February 14, 2003

2003 NATIONAL CLINICAL NUTRITION INTERNSHIPS CO-SPONSORED BY THE AMERICAN SOCIETY FOR CLINICAL NUTRITION AND AMERICAN MEDICAL STUDENT ASSOCIATION
Purpose: To increase the role of nutrition in the practice of medicine, medical research, health promotion, and disease prevention by providing a unique combination of educational experiences to medical students. The internship will last 8 weeks and usually will be scheduled in the summer.
Eligibility: The students will be exposed to both clinical and academic aspects of human nutrition.
Support: $2000 stipend
Deadline: February 14, 2003
More Information: Phone (301) 530-7113 or visit website: www.faseb.org/ascn or email: ambocus@ascn.faseb.org

2003 CLINICAL CLERKSHIP PROGRAM - SOROS SERVICE PROGRAM FOR COMMUNITY HEALTH PROGRAMS (SSPCH)
Purpose: Provides third and fourth year medical students with the opportunity to actively pursue an interest in community health through an intensive four-week rotation in a community-based health center. Program will be in the fall of 2003. Clerkships to be held in Baltimore and New York.
Eligibility: Completion of second year medical school
More Information: For additional information regarding Baltimore Clerkship please contact Dr. Tom O’Tolle or Daniela Schukart at Totoole@sorosny.org or DSchukart@sorosny.org or call (410) 234-1091. If you are interested in the New York Clerkship please contact Dr. Navneet Kathuria at kathuria.navneet@cogenhealthcare.com or Mahita Mishra at MMishra@sorosny.org or call (212) 547-6934.

SCAIFE FAMILY FOUNDATION ADVANCED MEDICAL STUDENT ASSISTANTSHIP IN ALCOHOL AND OTHER DRUG DEPENDENCY.
INSTITUTE FOR RESEARCH, EDUCATION AND TRAINING IN ADDICTIONS
Purpose: To provide a summer clerkship/assistantship program in chemical dependency treatment.
Eligibility: Medical students
Support: $150 per week stipend and a $200 transportation allowance for a total of $650 for three weeks. Room and meals provided.
Deadline: March 1, 2003
More Information: Contact the Institute for Research, Education and Training in Addictions at (412) 391-4449

14th INTERNATIONAL COURSE IN TROPICAL MEDICINE IN SAN JOSE, COSTA RICA (June 30 – July 26, 2003)
### Purpose:
To provide students an insight into the impact of tropical diseases on the population of affected areas. Biological aspects of the host-parasite relationships acting in the tropical environment are emphasized.

### Eligibility:
Medical students who have at least completed their first year of training

### Cost:
$900 per student

### Deadline:
May 1, 2003

### More Information:
Contact Joseph H. Miller, Ph.D. at (504) 658-4061 or email jcampb@lsuhsc.edu or http://www.medschool.lsuhsc.edu/micr/COURSES/crcourse.htm

---

### 2003 SUMMER INTERNSHIP PROGRAM - SOROS SERVICE PROGRAM FOR COMMUNITY HEALTH PROGRAMS (SSPCH)

**Purpose:** To pursue an interest in community health through an intensive eight week program in Baltimore or New York. This program is designed for medical students between their first and second year. The program will be held from June 9 through August 1, 2003.

**Eligibility:** Medical students

**Support:** Stipend of $1,500

**Deadline:** February 12, 2003

**More Information:** Contact Mahita Mishra at mmishra@sorosny.org or visit the web site www.soros.org/medicine

---

### SCAIFE FAMILY FOUNDATION MEDICAL SCHOLARS TRACK AT THE 19TH ANNUAL NATIONAL RURAL INSTITUTE ON ALCOHOL AND DRUG ABUSE – June 1 – 5, 2003 at the University of Wisconsin-Stout in Menomonie, Wisconsin

**Purpose:** Designed for medical students interested in seeking training and further education in the field of alcohol and drug abuse as it affects rural medical professionals

**Eligibility:** 1st and 2nd year medical students

**Support:** $300 stipend for travel costs along with conference registration, resource materials, on-campus residence hall room and meals

**Deadline:** April 15, 2003

**More Information:** Contact Deanna Applehans at (715) 232-2460 or email applehansd@uwstout.edu

---

### DAVID E. ROGERS SUMMER FELLOWSHIP PROGRAM OF THE NEW YORK ACADEMIC OF MEDICINE

**Purpose:** Summer fellowship is meant to enrich the educational experiences of medical students through projects that bear on medicine as a social enterprise particularly the needs of the underserved or disadvantaged patients or populations.

**Eligibility:** First year medical students

**Support:** Twenty fellowships of $3,000 each

**Deadline:** March 28, 2003

**More Information:** Phone Lorraine LaHuta at (212) 822-7269 or email rogers@nyam.org

---

### INTERNATIONAL ALLIANCE IN SERVICE AND EDUCATION

**Purpose:** To promote health and education in underserved communities in Mexico and South Africa and provide service learning opportunities abroad for students to reflect on international moral responsibility. Malnutrition, illiteracy, chronic medical conditions and environmental disasters are some of the targets in this 4 – 8 week long residential rotation.

**Eligibility:** Medical students

**More Information:** Any questions email cgabali@iaseco.org or info@iaseco.org
National Meetings

AMERICAN ACADEMY OF ALLERGY, ASTHMA AND IMMUNOLOGY (AAAAI)

Purpose: To provide travel and housing grants to selected medical students for attendance at the 2003 60th Anniversary AAAAI Annual Meeting in Denver, CO. March 6 to March 9, 2003. The program will include educational sessions, a career path session and the opportunity to interact with Academy members. Students will have the opportunity to explore the specialty of allergy and immunology under the direct mentorship of a fellow-in-training in A/I.

Eligibility: Medical student
Support: Round trip air transportation to Denver, hotel expenses for three days, meals and ground transportation to attend the program
Deadline: November 8, 2002
More Information: Please contact Jennifer Reiter, Program Coordinator at (414) 272-6071 or at jreiter@aaaai.org

AMERICAN PSYCHIATRIC ASSOCIATION (APA) TRAVEL SCHOLARSHIP FOR MINORITY MEDICAL STUDENTS

Purpose: To support travel and related costs for approximately 10 medical students interested in psychiatric issues to attend the APA Annual Meeting May 17-22, 2003, in San Francisco, CA.

Eligibility: Minority medical students
Support: Travel and related costs
Deadline: January 17, 2003
More Information: Contact Marilyn King at (202) 682-6096 or email mking@psych.org.

AMERICAN PSYCHIATRIC ASSOCIATION (APA) TRAVEL SCHOLARSHIP FOR MINORITY MEDICAL STUDENTS

Purpose: To support travel and related costs for students to attend the Institute on Psychiatric Services held October 29 – November 2, 2003 in Boston, MA

Eligibility: Minority medical students
Support: Travel costs
Deadline: August 4, 2003
Basic Science Research Opportunities

The Council on Basic Science Established the Howard S. Silverman Memorial Scholarship

**Purpose:** The purpose of the award is to provide a scholarship to a student applying for the AHA Student Scholarships in Cardiovascular Disease and Stroke Program.

**Stipend:** The award will fund $1,000 annually from the endowment to augment the student scholarship program which provides a $2,000 stipend. The top student in the summer program will receive the addition $1,000 monetary award for the highest scoring basic science project for a total of $3,000 to be awarded to accredited schools in the US. In addition student will receive certificate acknowledging them as the recipient of the 2003 Howard S. Silverman Award.

**Deadline:** March 31, 2003

**More Information:** Application forms and further information may be obtained from www.americanheart.org or contact Shannon Gideon at Shannon.gideon@heart.org

AMA Foundation – Seed Grant Research Program

**Purpose:** Grant money in the amount of $80,000 has been set aside to help medical students and residents conduct small projects in applied and clinical research in the following areas: animal use in research education; arthritis and rheumatism; cardiovascular/pulmonary disease; HIV/AIDS; or neoplastic diseases

**Eligibility:** Medical students and residents

**Support:** $1,500 - $2,500

**Deadline:** October 31, 2002

**More Information:** Visit the AMA Foundation website at http://www.ama-assn.org/ama/pub/category/7785.html or send your questions to barbara_correll@ama-assn.org

2003 National Osteoporosis Foundation/Scholar’s, Foundation, and Mazes Research Grants

**Purpose:** For support of clinical or basic research related to the epidemiology, pathogenesis, diagnosis and treatment of osteoporosis.

**Eligibility:** Applicants must have an M.D., Ph.D. or equivalent, have US citizenship or permanent resident status and affiliated with a not-for-profit institution.

**Support:** 5 – One year grants of $57,000

**More Information:** Visit website at www.nof.org/grants, or call (202) 223-2226 and ask for Michelle Horton or write Robert Recker, M.D., Chairman, Research Subcommittee, National Osteoporosis Foundation, 1232 22nd Street, NW, Washington, DC 20037.

**Deadline:** Letter of intent due by November 15, 2002 and full research proposal due by December 15, 2002. Complete proposal due January 15, 2003 and award notification will be May 1, 2003 with funding issued September 1, 2003.

American Osler Society – William B. Bean Student Research Award

**Purpose:** For support of research in the broad areas of medical history and medical humanism.

**Eligibility:** Medical school students

**Support:** $1,000 and up to $700 additional support for travel to annual meeting

**More Information:** Visit website www.americanosler.org or write Charles S. Bryan, Secretary-Treasurer, Department of Medicine, University of South Carolina School of Medicine, Two Medical Park, Suite 502, Columbia, SC 29203

**Deadline:** March 15, 2003.

2003 Alpha Omega Alpha Student Research Fellowship

**Purpose:** To stimulate interest in research among medical students. Areas of research may include clinical investigation, basic research, epidemiology, and social science/health service research.

**Eligibility:** First, second or third year medical students

**Support:** $3,000

**More Information:** Call (650) 329-0291 or email Carol Wong at c.wong@alphaomegaalpha.org. Checklist for application may be found at web site: www.alphaomegaalpha.org. Click on Resources, then select forms.

**Deadline:** All entries must be postmarked on or before January 15, 2003

2002-03 Fellowship Program in Academic Medicine for Minority Students Sponsored by Bristol-Myers Squibb

**Purpose:** The fellowship offer minority students the opportunity to spend 8 to 12 weeks working directly with mentors on challenging research projects, getting both a close-up view of academic medicine and a chance to conduct meaningful investigation in major biomedical research laboratories. Fellowship winners will be announced by 4/18/2003.

**Eligibility:** US citizen and members of following six groups: African-Americans/Blacks, Alaska Natives, American Indians, mainland Puerto Ricans, Mexican-Americans, or native Hawai’ians. First through third year students are eligible.

**Support:** 35 new fellowships for 2003-04; stipend is $6,000

**Deadline:** November 22, 2002

**More Information:** Please call (212) 483-8880

Society for Pediatrics Research and the American Pediatric Society

**Purpose:** To encourage gifted medical students to consider careers in research related to pediatrics at a medical school other than their own for eight to ten weeks.

**Eligibility:** Medical students

**Support:** Stipend $3,732

**Deadline:** January 28, 2003
Howard Hughes Medical Institute-National Institutes of Health Research Scholars Program – Summer of 2003

Purpose: To spend nine to twelve months conducting basic, translational or applied biomedical research in a laboratory on the NIH campus. The student selects a preceptor and research project after acceptance into the program and arrival in Bethesda.

Eligibility: Recommended completion of second and third year medical school

Support: Annual salary of $17,800 plus free medical insurance, subsidized furnished housing on the campus and round-trip moving expenses.

Deadline: January 10, 2003

More Information: Call Melanie Daub (301) 951-6708 or toll free 1-800-424-9924 or email daubm@hhmi.org

Program information and online applications forms are available on Web site: www.hhmi.org/cloister/gpub3

Howard Hughes Medical Institute – Research Training Fellowships in Biological Sciences

Purpose: To provide support for one year of full-time research training in fundamental biomedical research. Applicant is responsible for selecting a research mentor at an academic institution and for making arrangements to work in that person’s laboratory.

Eligibility: Medical students

Support: Annual stipend of $21,000 plus an annual research allowance of $5,500 and an annual fellow’s allowance of $5,500

Deadline: November 6, 2002

More Information: Telephone (800) 448-4882, ext. 8889 or visit website: www.hhmi.org/fellowships/medpre03

Summer Research Fellowships in Vascular Surgery at Harvard Medical School

Purpose: Four fellowships available for 10-12 weeks of summer research training in molecular and cell biology, biomechanics, coagulation and thrombosis, and angiogenesis, with focus on clinically relevant problems such as atherogenesis, intimal hyperplastic, prosthetic/host interactions and thrombosis.

Eligibility: Completion of first year of medical school

Support: $5,000 stipend and appointment at Harvard Medical School as Research Fellow in Surgery

Deadline: December 31, 2002

More Information: Call Vaishali Patel at (627) 667-0094 or email vpatel1@caregroup.harvard.edu

2003 – 2004 STANLEY J. SARNOFF ENDOWMENT FOR CARDIOVASCULAR SCIENCE, INC.

Purpose: 18 Fellowship awards to conduct intensive work in a research laboratory for one year

Eligibility: Completion of second or third year of medical school

Support: Annual stipend is $21,000 in addition to moving and travel expenses and health insurance.

Deadline: January 17, 2003

More Information: Contact the Executive Director, Dana Boyd at (703) 759-7600 or email dana.boyd@verizon.net

Or visit website at www.SarnoffEndowment.org

AMERICAN HEART ASSOCIATION SUMMER 2003 UNDERGRADUATE STUDENT RESEARCH FELLOWSHIP

Purpose: To introduce students from all disciplines to scientific research as a means of encouraging students to consider careers in the cardiovascular sciences. Student works with an established cardiovascular scientist in an approved research laboratory in the Ohio Valley Affiliate area for a minimum of 8-10 weeks during the summer of 2003. Award notification by April 1, 2003.

Eligibility: Medical student

Support: $2,500 stipend

Deadline: February 14, 2003

More Information: Contact Louise Hajduk at the American Heart Association Ohio Valley Affiliate at 1-800-282-0291 or email LOUISE.HAJDUK@HEART.ORG

STUDENT SCHOLARS IN CARDIOVASCULAR DISEASE AND STROKE – SPONSORED BY THE SCIENTIFIC COUNCILS OF THE AMERICAN HEART ASSOCIATION

Purpose: To stimulate student scholars in medicine to carry out research projects related to cardiovascular disease, stroke and basic science. The minimum commitment is equivalent to two full months.

Eligibility: Medical student

Support: $2,000 stipend will be awarded to accredited schools in the United States in which research training in cardiovascular disease and stroke is available.

More Information: Office of Student Affairs or contact Shannon Gideon at the American Heart Association email: shannon.gideon@heart.org or application forms may be obtained from: www.americanheart.org

Deadline: March 31, 2003

NATIONAL INSTITUTES OF HEALTH (NIH) CLINICAL ELECTIVE IN MEDICAL INFORMATICS FOR MEDICAL AND DENTAL STUDENTS

Purpose: To provide an overview and vision of the state-of-the-art of medical informatics in a lecture series by research staff from the National Library of Medicine (NLM) and other institutes at NIH and by guest speakers from other research centers. It offers an opportunity for independent study and research project work under the preceptorship of the NIH research staff. The elective runs for an eight week session in March and April.

Eligibility: Medical students

More Information: Contact Dr. Lawrence C. Kingsland, III or Ms. May Cheh by phone at (301) 435-3193 or email cheh@nlm.nih.gov

MEDICAL INFORMATICS TRAINING PROGRAM AT THE LISTER HILL NATIONAL CENTER FOR BIOMEDICAL COMMUNICATIONS (LHNBC), NATIONAL LIBRARY OF MEDICINE

Purpose: To provide opportunity for students to participate in collaborative research in a variety of areas of medical informatics at Bethesda, MD. Research can range from a few months to one or more years.

Eligibility: Postdoctoral fellows, graduate and medical students, college students and visiting faculty.
Purpose: To provide medical students with research experience in the clinical and/or basic scientific area and funded by the National Cancer Institute.
Eligibility: Medical and dental students
Stipend: $280 per week with 25 fellowships awarded for an 8 week period
Deadline: February 14, 2003
More Information: Contact Dr. Arthur M. Michalek at (716) 845-2339 or email arther.michalek@roswellpark.org

2003 – 2004 STANLEY J. SARNOFF ENDOWMENT FOR CARDIOVASCULAR SCIENCE, INC. FELLOWSHIP PROGRAM
Purpose: Eighteen research fellowship awards to explore careers in cardiovascular research for one year
Eligibility: Medical students who have completed their second or third year
Support: $21,000 stipend
Deadline: January 17, 2003
More Information: Contact Dana Boyd at (703) 759-7600 or email dana.boyd@verizon.net or visit website www.SarnoffEndowment.org

UNIVERSITY OF COLORADO HEALTH SCIENCES CENTER’S DIVISION OF PULMONARY SCIENCES AND CRITICAL CARE
Purpose: To recruit minority as well as other qualified applicants interested in pursuing a career in medical scientific investigation and teaching.
More Information: Interested candidates can obtain a program brochure and the application form by contacting the Director of the Training Program, Marvin I. Schwartz, M.D. at (303) 315-7047 or (303) 315-7767.

SUMMER RESEARCH PROGRAM FOR MEDICAL STUDENTS AT THE UNIVERSITY OF TEXAS MID ANDERSON CANCER CENTER
Purpose: To provide participants with firsthand biomedical research experience in the basic or clinical sciences
Eligibility: Successful completion of first year of medical school
Support: Stipend of $2,500 for 9-week period
Deadline: February 5, 2003
More Information: Contact Michael J. Ahearn, Ph.D. via email mahearn@mdanderson.org or by phone at (713) 745-1206.

SARNOFF ENDOWMENT RESEARCH FELLOWSHIP PROGRAM
Purpose: For outstanding medical students to explore careers in cardiovascular research in a research laboratory for one year
Eligibility: Completion of second or third year of medical school
Support: $21,000 stipend and a moving allowance, travel expenses and health insurance.
Deadline: January 17, 2003
More Information: Contact Dana Boyd at (703) 759-7600 or email dana.boyd@verizon.net

NATIONAL INSTITUTES OF HEALTH, OFFICE OF EDUCATION
Purpose: The intramural program has an active biomedical research training program and has opportunities available to medical students for summer fellowships, four- to eight-week elective, or a year engaged in clinical research in the following areas:
- Summer Research Fellowship Program
- Clinical Research Training Program (CRTP)
- “Call for Abstracts” Poster session for March 2003 AMSA National Meeting
- NIH/Oxford and NIH Cambridge graduate partnership programs
More Information: Any questions call (800) 445-8283. Applications are available on line at www.training.nih.gov

Purpose: To conduct independent research under the direction of an established scientist during the summer between the first and second year or second and third year of medical school. Students spend 10-12 weeks at Vanderbilt University Medical Center.
Eligibility: Medical Student
Support: Stipend
Deadline: February 21, 2003
More Information: Call (615) 936-1642 or email stu.res@mcmail.vanderbilt.edu or visit website http://medschool.mc.vanderbilt.edu/vdc/html/train summer.htm

2003 GLENN/AFAF SCHOLARSHIPS FOR RESEARCH IN THE BIOLOGY OF AGING
Purpose: To enable Ph.D. and medical students at any level to undertake a three-month research project on any subject related to the basic sciences and aging.
Support: 30 - $5,000 scholarships
Deadline: February 26, 2003
More Information: Please contact the American Federation for the Aging Research at (212) 703-9977 or email grants@afar.org or www.afar.org or www.infoanging.org

THE SIMON KRAMER SOCIETY EXTERNSHIP IN RADIATION ONCOLOGY
Purpose: To provide an opportunity for medical students to obtain a six-week experience in the Department of Radiation Oncology at Thomas Jefferson University Hospital, Philadelphia, PA during the summer of 2003.
Eligibility: Medical student
Support: $1,500 stipend in addition to partial travel allowance
Deadline: March 7, 2003
More Information: Contact Lydia T. Komarnicky, M.D. by phone at (215) 762-4985 or email Lydia.T.Komarnicky@drexel.edu or Ester B. SanDiego at (215) 955-5951 or email ester.sandiego@mail.tju.edu

2003 NHLBI SUMMER MINORITY STUDENT RESEARCH PROGRAM AT THE STATE UNIVERSITY OF NEW YORK AT BUFFALO, DEPARTMENT OF PEDIATRICS (May 28 – August 1, 2003)
Purpose: To provide basic science and clinical research issues related to the transition from intra-uterine to extra-uterine life with special emphasis on the cardiovascular, pulmonary and hematopoietic/immune systems.
Eligibility: Under-represented minority students following their second year of undergraduate education or following their first or second year of medical education.
Support: $3,277 stipend over 10 weeks and transportation and university housing
Deadline: March 3, 2003
More Information: Contact Jill Uebelhoer at (716) 878-7300 or email juebelhoer@upa.chob.edu or contact Dr. David Milling at (716) 829-2802 or by email at dmilliing@buffalo.edu

2003 MERCK/AFAR RESEARCH SCHOLARSHIPS IN GERIATRIC PHARMACOLOGY FOR MEDICAL AND PHARMACY STUDENTS
Purpose: To offer an eight to twelve week research opportunity to explore the field of geriatric pharmacology and acquire an understanding of its challenges.
Eligibility: Medical and Pharm.D. students who have completed at least one year of medical school
Support: 9 - $4,000 scholarships
Deadline: January 22, 2003
More Information: Contact the American Federation for Aging Research or visit website www.afar.org

ARA PROGRAM: A FOCUS ON THE SCIENCE - SPONSORED BY PFIZER, INC.
Purpose: To support outstanding investigators at the early stages of their careers in academic research
Support: $50,000 per year with potential for funding for two years (minimum 20 grants)
Deadline: March 17, 2003
More Information: Email the grant coordinator at arawards@mindspring.com or visit website for application www.arawards.com

CHILDRENS HOSPITAL LOS ANGELES/USC SUMMER ONCOLOGY FELLOWSHIP PROGRAM
Purpose: To provide the highest quality experience for first-year medical school students pursuing interests in oncology research.
Eligibility: Completion of first year of medical school
Support: 20 applicants to receive $225/weekly for a minimum of six weeks
Deadline: March 3, 2003
More Information: Call Summer Oncology Program Coordinator, Michael Cederbaum at (323) 669-2357 or email mcederbaum@chla.usc.edu or visit website at http://www.chla-sof.nant.org

COMPLEMENTARY AND ALTERNATIVE MEDICINE SUMMER PROGRAM – BASTYR UNIVERSITY
Purpose: Introductory course begins July 7 and runs for fours weeks and includes experiential activities, clinical observation and didactic education.
Eligibility: Medical students
Tuition: $1,050, 4 Credit hours
Deadline: March 3, 2003
More Information: Call (425) 602-3129 or email cbutler@bastyr.edu or visit website www.bastyr.edu/camsummer

CLINICAL AND RESEARCH SUMMER FELLOWSHIP OPPORTUNITIES FOR MINORITY STUDENTS
Purpose: The American Academy of Child and Adolescent Psychiatry (AACAP) has begun taking applications for the 2003 Jeanne Spurlock Fellowship. The fellowships provide a unique opportunity to explore a career in child and adolescent psychiatry, gain valuable work experience, and meet leaders in the child and adolescent psychiatry field at the AACAP Anniversary Meeting.
Eligibility: Minority students
Support: $2,500 for 12 weeks of summer research and expenses paid to AACAP Anniversary Meeting in Miami Beach, FL
Deadline: Postmarked by March 15, 2003
More Information: Contact Tom Enright at tenright@aacap.org or phone (202) 966-7300, ext. 105.

WESTERN PENNSYLVANIA HEALTH PRECEPTORSHIP PROGRAM SPONSORED BY THE UNIVERSITY OF PITTSBURGH
Purpose: Students are matched with a community hospital in Western Pennsylvania for six weeks during the summer to have students experience and understand the medical and clinical aspects of community and rural health care delivery and to recognize it economic, cultural, social and environmental components. Emphasis is placed on basic science and clinical knowledge through patient contact.
Eligibility: Post first year medical students
More Information: Call the medical staff coordinator (814) 437-4556

MIDWEST STUDENT BIOMEDICAL RESEARCH FORUM CO-SPONSORED BY THE UNIVERSITY OF NEBRASKA MEDICAL CENTER AND CREIGHTON UNIVERSITY MEDICAL CENTER
Purpose: Allows for the presentation of original basic science or clinical science research at the National Student Research Forum in Galveston, TX
Eligibility: Graduate students, M.D./Ph.D. students
Deadline: December 6, 2002
Support: Cash awards
More Information: Contact UNMC by phone at (402) 559-4152 or email conted@unmc.edu or visit website www.unmc.edu/coned

PAUL AMBROSE HEALTH PROMOTION STUDENT LEADERSHIP SYMPOSIUM
Purpose: To provide leadership training and prevention education to medical students interested in medical education, public health, prevention and health care policy issues
Eligibility: Medical student
Support: $650 scholarship to cover costs of attending symposium
Deadline: May 10, 2002
More Information: Visit the ATPM website at http://www.ATPM.org or email bda@atpm.org

STUDENT SCHOLARSHIPS IN CEREBROVASCULAR DISEASE SPONSORED BY THE STROKE COUNCIL OF THE AMERICAN HEART ASSOCIATION
Purpose: To stimulate interest, knowledge and investigative work by medical students and allied health professionals in cerebrovascular diseases.
Eligibility: Medical students
Support: $2,000 stipend along with travel stipend to attend Annual International Stroke Conference
Deadline: March 3, 2003
More Information: Contact Shannon Gideon at the American Heart Association phone (214) 706-1181 or email shannon.gideon@heart.org

Scaife Family Foundation Sponsors School for Alcohol and Drug Studies at Rutgers, The State University of New Jersey
Purpose: Session June 18 – 23, 2003 course entitled “The Diagnosis and Treatment of Chemical Dependency Disorders” instructed by Mark Wallen, M.D.
Eligibility: Medical students
Support: Fellowships cover tuition, room and meals ($1,095) and a $400 stipend for travel allowance
Deadline: May 15, 2003
More Information: Contact the program assistant at (732) 445-4317 or email collinsj@rci.rutgers.edu

Scaife Family Foundation Sponsors School for Alcohol and Drug Studies at Rutgers, The State University of New Jersey
Eligibility: Medical students
Support: Fellowships cover tuition, room and meals ($1,095) and a $400 stipend for travel allowance
Deadline: May 15, 2003
More Information: Contact the program assistant at (732) 445-4317 or email collinsj@rci.rutgers.edu

Medical Student Representative for Women and Minority Leadership Positions Available With the AMA Women Physicians Congress (WPC) and Minority Affairs Consortium (MAC)
Purpose: The WPC is working to accelerate the professional progress of women physicians through leadership development, training and advocacy, and further issues related to women’s health. The MAC provides a national forum for advocacy on minority health issues and the professional concerns of minority medical students and physicians. Applications are available on the MSS website at http://www.ama–assn.org/ama/pub/category/9589.html
Deadline: March 17, 2003
For MAC visit www.ama-assn.org/ama/pub/category/20.html
UC – CCHMC RESEARCH PROJECTS AND INVESTIGATOR INFORMATION

SUMMER MUSCULOSKELETAL OUTCOMES RESEARCH FELLOWSHIP AT THE CINCINNATI CHILDREN’S HOSPITAL MEDICAL CENTER, DIVISION OF PEDIATRIC ORTHOPAEDIC SURGERY

Purpose: Two fellowships working under the direction of Charles T. Mehlan, D.O., M.P.H. starting June 16 until August 15, 2003. Send your resume to Janis.messer@chmcc.org
Eligibility: Medical student entering 2nd year
Support: $10 hour/nine weeks
More Information: If you have any questions call Jan Messer at (513) 636-1383.

RESEARCH ASSOCIATE II AT THE UNIVERSITY OF CINCINNATI, DEPARTMENT OF EMERGENCY MEDICINE

Purpose: The Research Associate II position is ideal for medical and nursing students. Activities would involve clinical patient interaction in the Emergency Department of University Hospital. Four hour minimum commitment per week.
Eligibility: Medical students
Support: Part time position with hourly stipend
More Information: Please forward a curriculum vitae/resume and cover letter to DeAnna Hawkins, R.N., M.S.N., Clinical Coordinator Early Intervention Program in the Department of Emergency Medicine at 558-8327 or email hawkinda@ucmail.uc.edu

The Department of PM&R announces the Summer Externship for medical students who have completed their first year of medical school. The Externship will offer a $2000.00 stipend and will run from Monday June 16, 2003 through Friday August 15, 2003. The program will consist of two four-week rotations with a vacation at the end of the first rotation. The Externs will spend half of each day performing clinical activities such as rounding with the inpatient rehabilitation team, attending team and family conferences. They will have the opportunity to participate in the care of patients with a wide variety of diagnoses including traumatic brain injury, stroke, spinal cord injury, and musculoskeletal disorders. The second half of each day will be spent working on a Research Project with a faculty mentor from the Department of PM&R. Please direct your application requests to Mary Duke, Program Manager Department of Physical Medicine and Rehabilitation @ 558-7635 or Mary.Duke@uc.edu or visit us on the web at http://www.med.uc.edu/pmr.
Application Deadline is March 12, 2003. Please direct your questions to Mary McMahon MD Department of Pediatric Rehabilitation 636-7480.

SUMMER INTERNSHIP OPPORTUNITY WITH DR. PETER STERN THE CHAIRPERSON OF THE DEPARTMENT OF ORTHOPAEDIC SURGERY

Purpose: Dr. Stern known throughout the world as “The Hand Surgeon” is looking for a student to assist with research and also have the opportunity to spend at least one day a week involving patient contact in the operating room.
Eligibility: First year medical student
Support: $1,800 stipend
Deadline: Interested students should send a CV prior to March 17, 2003 to Paula Hamilton in the Department of Orthopaedic Surgery.
More Information: Contact Paula Hamilton by phone at 558-4516 or email paula.hamilton@uc.edu

SUMMER PROGRAM AN INTRODUCTION TO ONCOLOGY AT THE UNIVERSITY OF CINCINNATI DIVISION OF RADIATION ONCOLOGY—JUNE 6 – AUGUST 8, 2003

Purpose: Six students will be selected to spend eight weeks with four different oncologists (two weeks each with medical, surgical, radiation and otolaryngologic oncologists). Students will be informed of whether they were selected by March 1, 2003
Eligibility: Completion of first year of medical school
Support: Stipend of $2,000 for eight week period
Registration: Contact Lydia Wocher in Division of Radiation Oncology 584-8216.

SUMMER POSITION IN ORTHOPEDICS

A Cincinnati physician in private practice is looking for a highly motivated individual who wants good experience in Orthopedics over the summer. The main purpose of this position is to update the data base. However, you would gain experience in the orthopedic field, see patients and have the opportunity to observe surgery. For further information contact Patrick Messerschmitt, UCII, at messerpj@ucmail.uc.edu

GOOD SAMARITAN HOSPITAL CLINICAL RESEARCH PROJECTS

Medical students to help with chart review and data collection on clinical research projects.

RADIOLOGY FELLOWSHIP AT CHILDREN’S HOSPITAL

Medical students contact Lane Donnelly, M.D. assistant at 636-8557.

CLINICAL RESEARCH ASSISTANT

The Department of Radiology at Cincinnati Children’s Hospital is looking for four medical students to work 8-10 weeks during the summer assisting the faculty on imaging research projects. Come to meeting held Thursday, February 27, 2003 from 4:00 – 4:30 p.m. in the CCHMC Radiology Conference Room, B-1412.
Eligibility: Completion of first year of medical school
Support: $9/hour

EMERGENCY MEDICINE RESEARCH

Active group seeks medical students and residents interested in emergency medicine and neuroscience research. Current research topics include subarachnoid and intracerebral hemorrhage (prehospital, emergency dept, and inpatient evaluation and management). Clinical Research Group led by emergency medicine physicians, includes neurologists, neurosurgeons, residents and medical students. Research uses a multi-center clinical research laboratory at 8 Ohio hospitals including the University of Cincinnati. Arthur Pancioli, M.D., Vice Chairman of the Department of Emergency Medicine and Vince Metzger UC-III are involved at the University of Cincinnati. Researchers are needed for the University of Cincinnati Medical Center. Opportunities for data collection and review, data analysis, manuscript preparation and publication/presentation are available. Flexible hours and COMPENSATION. If interested, please contact Vince Metzger at metzgepv@ucmail.uc.edu.
SUMMER RESEARCH FELLOWSHIP

Purpose: Ten week program to provide support and encouragement to undergraduates hoping to pursue a career in biomedical research

Support: $3,000 stipend

Summer internship program to study angiogenesis
$3,000 stipend
Teaching Assistants:

**Summer Premedical Enrichment Program (SPEP) (two positions)**

*Purpose:* Be responsible for supervising day-to-day activities and following the planned schedule for the SPEP program for 17 undergraduate junior and senior premedical students from all over the country; monitor the students’ clinical experiences; meet clinicians and gain exposure in clinical settings and plan social activities.

*Dates:* June 22 – August 2, 2003 (Six weeks)

*Salary:* $2,500

*Deadline:* February 1, 2003

*More Information:* Contact Bobbi Handwerger, MSB E408, Phone 558-0693 or email Roberta.handwerger@uc.edu

**Summer Research Scholars (SRS) Program (one part-time position)**

*Purpose:* Monitor research activities and symposium presentations of four undergraduate students doing eight weeks of summer research at the College of Medicine and meet with students on a regular basis and coordinate their activities with the Scientific Director of the program.

*Dates:* June 22 – August 16, 2003 (Eight weeks)

*Salary:* $1,000

*More Information:* Contact Bobbi Handwerger, MSB E408, Phone 558-0693 or email Roberta.handwerger@uc.edu

**Health Careers Exploration Program (HCARE) (one position – biology enrichment)**

*Purpose:* Present interactive problem-solving labs and activities in human biology for HCARE students (high school juniors and seniors from the Cincinnati area); monitor participants in clinical experiences; and meet clinicians in a clinical setting.

*Dates:* June 9 – July 11, 2003 (Five weeks)

*Salary:* $2,000

*More Information:* Contact Bobbi Handwerger, MSB E408, Phone 558-0693 or email Roberta.handwerger@uc.edu
